

Ms. PUJA SAHA
M.PHARM, PhD (Pursuing)
Associate Professor
Mata Gujri College of Pharmacy (Mata Gujri University)

Experiences:

- **Teaching and Research Experience:7Yrs.**

Academic Achievements:

- **Achieved “Indian Research Patent Publication” of my research project title “Preparation and Evaluation of Topical Liposomal Gel of Biochanin A for the effecting treatment in Melanogenesis” at 2018.**
- **“Best Award” of Poster presentation “Significance and Applications of Herbal Superdisintegrants in Pharmaceutical Solid Dosage Forms” in National Seminar at Jadavpur University, W.B. on June 30-July 1, 2023.**

Research Interests:

- **Topical Liposomal Gel for the effective treatment of Melanogenesis**
- **Formulation development**
- **Anti cancer activity of Nanoparticles research**
- **Bioequivalence study**
- **Drug delivery system**

Teaching Interests:

- **Industrial Pharmacy**
- **Physical Pharmaceutics I & II**
- **Biopharmaceutics& Pharmacokinetics**
- **Pharmaceutical Engineering& Pharmaceutics**
- **Novel Drug Delivery system**

Publications:

- **Paper Publication (Research & Review)- 12**
- **Book Publication- 02**
- **Patent Publication-04 (01 Research Patent, 03 Design Patent)**

Seminars & Conferences (National & International) : 15

- **Presentation:04**
- **Workshop: 05**
- **Faculty Development Programs: 05**
- **QIP:01**

Membership:

- **Life Member of IPA (Indian Pharmaceutical Association)**
- **Life Member of APTI**
